**Re: *United States v. Creaghan Harry*, Crim. No. 19-246 (MCA)  
– Request to Reschedule Status Conference**

Dear Judge Arleo:

We write to request a brief continuance of the status conference to allow the government to investigate the proposed conditions of release of defendant Creaghan Harry. The government learned on May 2, 2024 that the defendant had proposed he be released to live with a woman that he recently married while in custody. The government is currently reviewing communications between the defendant and others regarding these release conditions, however, many of the communications are withheld by the government's filter team because of intermingled potentially privileged communications. The government respectfully requests a continuance of approximately one week to allow for these communications to be released from the filter team so that the proposed conditions may be appropriately reviewed.

Respectfully submitted,

PHILIP R. SELLINGER
